

Heavenly Father, we come to You in the name of Jesus Christ, who has been given all authority to judge. ([John 5:27](#)) Who judges the world in righteousness, and governs the people with justice. ([Ps 9:8](#)) Jesus, we claim [Psalm 125:3](#), the wicked will NOT rule in the land of the Godly. We claim [Job 5:12](#), God frustrates the plans of the wicked, so their schemes fail. We claim [Daniel 2:21](#), it's God that sets up Kings and deposes rulers. We claim [Psalms 7:9](#), The Lord stops the violence of the wicked and makes the righteous secure. We claim [Luke 8:17](#), everything hidden will be made known. We claim [Psalms 63:11](#), the mouths of liars will be silenced. And we claim [Psalms 6:10](#), all our enemies will be ashamed and dismayed; they will turn back in sudden disgrace.

Jesus, we lift up America's election to You. Jesus, with the Keys of the Kingdom, ([Matt 16:19](#)) we release Justice all over America, and we bind injustice, voter-fraud and political corruption. Jesus, may only legal, official, authentic and valid ballots be counted. May every illegal, unofficial, unauthentic and invalid ballot be identified and rejected. May the dominion voting system be utterly exposed and judged, because the Lord hates dishonest scales. ([Pro 11:1](#)) We call forth fair and just recounts and audits.

Jesus, may the plans of the enemy fail, and backfire. ([Ps 7:15](#)) May all voter fraud and corruption be fully exposed, judged and brought to justice. May there be arrests and prosecution for all those guilty of voter fraud. May every snake be revealed and destroyed. May every rat go down with the ship. May all of Pharaoh's army be swept away. ([Ex. 15:1](#)) May Jezebel and all her false prophets be executed. ([1 Ki 18:40](#))

Jesus, maximize Your victory. Defeat the enemy in every way. Jesus, may You maximize the humiliation and embarrassment on the left, the Marxists, the socialists, the fake news, the pro-abortion liberals, the deep state, the corrupt politicians, the false prophets, the liberal elite, the wicked and the Democrat party.

Jesus, payback the enemy for Abortion. Jesus, may You be the voice of the untold millions of babies that were killed. May those who supported and fought for abortion now experience [Revelation 2:23](#), God's Abortion. Jesus, may You ABORT their political campaigns, their positions of authority, their popularity, their reputations, their leftist projects, their political fund-raisers, their wicked activities, their fake news and social media influence, their status, and their wealth. According to [Psalms 28:4](#), may You pay back the wicked what they deserve. Jesus, may every advance in Socialism, leftism, Marxism, abortion, perversion, wickedness, injustice, corruption and tyranny now be called into question. Then lined up like dominoes to be knocked down.

Jesus, may the wicked, the liberals and leftists be swept out of Academia, Arts and Entertainment, government, business, media, science, banking and finance, legal departments, HR departments, boardrooms, and all places of authority and influence. Jesus, may You mock proud mockers, ([Pro. 3:34](#)) and pay back those who continually slander. May You absolutely destroy the reputation, credibility, popularity, influence and scope of Fake News.

Jesus, may the Democrat party be voted out of our cities. May they lose all their strongholds. May there be a mass exodus out of their party. May the forces of Liberty, Justice, Righteousness, American conservatism, and the constitution be strengthened and empowered.

Jesus, may You judge and remove all cabals, conspiracies, deep-state shadow governments, occult networks, pedophile networks, Globalist networks, Freemason/secret societies, and all wickedness in high places. May their mountains be cast into the sea.

Jesus, may the forces of darkness, the left, the Marxists, the perverse, the forces of Abortion, the socialists, the anarchists, the rioters, Antifa, the race hustlers, the Democrat party and other corrupt politicians receive a catastrophic, overwhelming, humiliating, debilitating and crushing defeat. Jesus, may You put Your Axe at the root of their tree. ([Matt 3:10](#)) Cut it down, burn it and replace it with the Tree of Liberty.

Jesus, We bless Trump's legal team. May You give them victories and success. May they have all the help, support and finances they need. May they have all the information, favor, co-operation, and understanding they need. May You give them brilliance, strength, energy, protection, strategy, speed, and diligence. For victory rests with the Lord. ([Pro 21:31](#))

Jesus, we pray for America. Jesus, may You cleanse America of all her corruption. May You cleanse the American flag of all her defilements. May You fix the [crack](#) in the Liberty Bell. And may the wealth of the wicked be transferred to the righteous. ([Pro 13:22](#))

Jesus, may You, Your name, and Your Word be put back and glorified in the schools, universities, marketplace, government, arts and entertainment, media, and all institutions of America. But may all the things of darkness stink. May they be utterly repulsive to everyone, and fail miserably in the marketplace. May America again be a beacon of Light, Justice, Liberty, Hope, Christianity, and goodness for the whole world. ([Matt 5:14](#))

***In Jesus Mighty name! Amen!***
